Date: January 2001

Note: Write to the LA State Archives at the address above for copies of parish birth records. During early years when birth certificates were not legally required, some births may not have been registered. If your name should be on this list, but it is not, the State Archives does not have a record of it. To get further information, you might want to get a copy of the sacramental record if your ancestor was Catholic. It can be obtained by writing to the Archdiocese Archives, 1100 Chartres Ave., New Orleans, LA 70116.
